

# THE SANCHAYA

LEGEND

*Preferred*  
HOTELS & RESORTS

**THE SANCHAYA** is located on the Indonesian island of Bintan, less than an hour from Singapore. It commands some of the world's most stunning white powder sand beachfront.

Inspired by the European Salons of the 19th century, this *Preferred Legend<sup>SM</sup>* cultivates highly refined service standards that pay homage to the attentiveness observed by artisans on a private estate. Its common areas, Dining Room, Library and Bar reference Southeast Asia's rich history and culture blended with a vintage European refinement in its artworks, antiques, furnishings and spirit.

The Sanchaya offers an award-winning collection of 13 lavish villas and 17 suites combining exceptionally comfortable interiors with the warmth and atmosphere like those of a luxurious private estate spread over 9.6 beachfront hectares. We compost food, landscaping debris and seaweed from daily beach cleanings to avoid adding tens of tons per year to landfill and fertilise our own herbs and vegetable gardens. We exclusively use LED lighting.

## HELLO... I'M MR.MORRIS

This is the story of Mr Morris, or Morris, as he's known to his friends. He lives in a beautiful villa, on a beautiful island, on the shores of a beautiful ocean.

He's a cool cat, a very happy little soul. He lives a very privileged life but never forgets that others are not always as fortunate as him. He loves art, in all its forms: singing, dancing, painting, drawing, sculpting, writing... The list is endless!

But the thing he loves the most, is encouraging others to explore their artist side, to share their passion and reveal what lies within them.

His vision of life is one without limits, barriers or prejudice. Everyone has the potential to better themselves and their situation and this can, most easily, be done together. The white of his stripes end where the black begins, or is it the opposite?! Just as the horizon begins where the ocean ends, or are they both never ending?!

Do you share this feeling that Morris has? Do you feel that together, using what we hold within, using art as a vector, we can make the world a better place?

If you do, then come on an adventure with Mr Morris... that's Morris to you!
